## Staff at Happy Bunnies

We have ten members of staff at Happy Bunnies, managed by Claire Jones and led by Andrea Harvey.

Our nominated Senco (Special Educational Needs Co-ordinator) is Nicky Green. Any concerns regarding your child's learning and development can be discussed with your child's key person and Nicky.

All staff members at the Pre-school are caring, experienced and well trained. As well as gaining qualifications in early years care and education, they regularly take part in further training to help keep themselves up-to-date with changes and the latest thinking within the profession.

Each member of staff is a key person to a small group of children and work with you to ensure that what we provide is right for your child's individual needs and interests. Each key person will help your child to settle in at Happy Bunnies and throughout their time here ensure they benefit from the activities offered by the Pre-school.

With your consent records of your child's progress are kept by the key person and shared with you at least once every term.

# The Early Years Foundation Stage (EYFS)

The EYFS is the statutory framework that sets the standards for learning, development and care for children from birth to 5 years. As Happy Bunnies is an Ofsted registered early years provider we must follow the EYFS requirements.

The EYFS focuses on 7 areas of learning and development which are split between PRIME and SPECIFIC areas.

The PRIME areas are:

- ❖ Personal, Social and Emotional Development
- ❖ Physical Development
- ❖ Communication and Language Development

The SPECIFIC areas are:

- ❖ Literacy Development
- ❖ Mathematics Development
- ❖ Understanding the World
- ❖ Expressive Arts and Design Development

All 7 areas of learning and development are important and inter-connect. The PRIME areas are particularly important for your child's learning and development as they ignite their curiosity and enthusiasm, build their capacity to learn, helps them form positive relationships and thrive.

## Parents at Happy Bunnies

As parents you are your child's first educator and as such we value and respect your opinions. We will ensure that you are kept informed, consulted and involved at all times regarding your child's progress.

Happy Bunnies is managed by a voluntary committee and we need parent volunteers willing to serve on the Management Committee. Meetings are usually held once every half term for approximately one hour to discuss all aspects of running and managing the Pre-school. We also look at fund raising opportunities and how best to support staff. Therefore your support is extremely important to the success of Happy Bunnies.

If you would like more information or are interested in joining the committee, please see the Committee Notice Board in the foyer or speak to a member of staff. Alternatively email: [25happybunnies@gmail.com](mailto:25happybunnies@gmail.com)
