

HAPPY BUNNIES SNACK MENU

At Happy Bunnies Pre-School we believe that our daily snacks should include a variety of Vitamin rich fruit and vegetables and a variety of starchy foods of which Wholegrain varieties are included. The bread products we provide contain lower Salt content. And we provide spreads that are rich in Mono-unsaturated and Poly-unsaturated fats and avoid Low Fat or 'Light' varieties. We may offer different fruits or vegetables when they are in season. We may offer yogurt which will be less than 15g of Sugar per 100g of product and Low Fat versions will be avoided. If we provide any new foods which differ to the Menu we will provide ALLERGEN advice.

EXAMPLES OF FRUITS
